“ *Dear Sandy,*

My wife, Barbara and I express our heartfelt condolences to you and your family at this time . Although Lottie lived a full life at 101years, you think they will live forever. My Mom just celebrated her 96th and is in full command of her faculties, yet we all know that her time left with us will be short by comparison of the years she has graced us with her quick wit and energy.

You are in our prayers. God Bless you and your family . I know of all your good work through St Vincent DePaul. Please keep your humor flowing at our meetings-----you remind us that life , no matter how long lived is still very precious.

Love,

Jack and Barbara Murray
