“ *Lu volunteered for many years in the library at Reeds Ferry School. She was such a bright spot in my time there. She dearly loved helping the children. I also have fond memories of our 'bleacher time' at the men's softball league. a very special lady indeed! Gloria Courtemanche*

“ Lucille was a saint. Although I have known her only seventeen years, I treasure my memories of her. Beyond a doubt, Lucille was one of the kindest, most generous, most loving and giving of human beings I have ever known. She was indeed a true example of Christian charity and humility. My deepest sympathy goes out to Marc, Carl, and Elaine. She always cherished your visits and spoke so lovingly of you.

May she rest in peace.

“ My deepest sympathies and prayers go out to you, Elaine, Marc, Carl and your families, on the death of your Mom. I will never forget going over to your house in Merrimack at the end of freshman year at the Mount, and her helping me sew a dress from a pattern - the very first time! I could see she was very accomplished; and reading her obit, I see she had her own business. Am I surprised? Nope.

Such a gracious woman. My heart goes out to all of you, but, of course, particularly to my 50-year friend Elaine.

God bless your Mom, now reunited with your Dad, and all of your.
