“ I believe the 1st time I met Lynel was on the set of grownups. I liked her immediately. We had so much fun making comments about and teasing Roy. Most crews think I am Roys wife but Lynel was the real deal. She willl be missed by so many. Love you Roy ❤️

“ All her friends at Grower and her Wal-Mart team; loved and admired her hard work, her fierce approach to all things with honor. She became a friend, and a safe person sharing wisdom and compassion. What mattered the most to hr was family. A great chuckle I will miss. Roy, and family; as other times in grief, you have each other. So true, another angel. Much love,
