I still remember Mr. Phaneuf sitting with my father watching us play hockey through the years like it was yesterday. They were always all over the refs and I think sometimes were probably more entertaining than the actual game. I also remember every time going to meet up with Steve Marc would be chilling watching a Bs game and we'd shoot the breeze about the Bruins. He's a great guy, terribly sorry for your loss guys. “ I was shocked and deeply saddened to hear of Marc's passing, I worked for Marc form many years, until his retirement from Gillette. He was the best manager, mentor and friend. We shared a lot of laughs over the years and still enjoyed a lunch or phone catch up occasionally. He will be deeply missed by so many. My deepest condolences to the family.

“ As a good friend of Cait's, I met Marc at her home and he was such a sweet, kind, caring dad and husband. You could tell how much he adored and admired his family and was so proud of them all. He and Michel made such a great team. He was there in the wings to do anything for them. Ironically, I was last with Marc as he helped to trim Caitlin's butterfly bushes and now when we see the butterflies come back, we can smile and think of him. I'm so sorry for his family and our loving thoughts are with you all. Terri Golter, Tommy LaMontagne , Christina, Sean and Molly too
