“ Marco was like my little brother. My family and I met him when he was around twelve years old. He lived near them in Nashua, and my mom said he delivered the paper. I remember him riding his bike around the neighborhood a lot. My Dad had an RC race car, and planes. I remember my Dad teaching him about them and Marco became a good friend of our family. We had a lot of fun times together, and I used to him "my little bro". As he grew into an adult, I didn't see him as often, but he always kept in close contact with my Dad and Mom through the years. The last time I saw Marco, he was visiting my Dad at CMC after my Dad's open heart surgery. Marco had gone there in a snowstorm right afterward the surgery, when my Mom and I couldn't get there. He was there when we got there the next day, and visited more times during the week my Dad was in the hospital. That is the kind of person he was, such a good person and a good and loving guy. It is so sad that he was taken so soon from all who loved him. My heart and my prayers go out to all of you, I'll miss you little bro.. Love, Cindy and Ted Wright.

“ Uncle Marco, you were such a kind, loving, and generous human being. You always were right there to help everybody when they needed it. You were so strong and really put up a good fight to this awful disease. You will truly be missed. You were like a second father to Katrina and I and I am forever grateful for all of the amazing memories. May you rest in peace Uncle Marco. I love you

“ Marco, you were the best neighbor and friend. Also, the hardest worker we knew. We will miss bantering back and forth about politics and so many other items. We are still in Florida for another month or we would be there to help send you off to heaven. You were so smart; you could fix and build anything.

“ Marco you will be deeply missed . Not many people would cut 10" holes in the back of there truck to let the bass come pounding through their new truck like you did. I will never forget you. You will be missed my friend.

“ You don't acquire the multitudes of good, honest, sincere friends that Marco has by accident.  
This is a young man who redefines "ambition".  
We'd be lucky to have just one quarter of his passion and drive.  
We are yet another couple who has been blessed by having him in our lives.  
He has motivated me to strive to become a better person.  
I will try in his honor.

Very sadly missed.
