

Marcus Wendell Harmon

January 24, 1984 - December 5, 2015

Marcus Wendell Harmon, 31, died December 5, 2015, as the result of a car accident. He was born January 24, 1984, to Wendell B. and Doris M. Harmon in Nashua, NH.

He graduated from Nashua High School in 2002 and Keene State College in 2007. He played basketball his entire life and was part of the 2001/2002 Nashua High School State Championship Team. He was employed by C&S Wholesale Grocers and Lab N' Lager, both in Keene.

He was an outdoor enthusiast who loved life. His interests and skills ran the gamut from camping, hiking, snowboarding, swimming, baseball, basketball and softball, to bowling and billiards.

Marcus spent the last decade in Keene where he was able to spread love, joy, excitement and care to many. His smile and HUGs were infectious, something that would change any mood or emotion into something warm and comforting. He was able to light up a room with an "oh hey". Those of us who knew Marcus will remember how amazing he was with everyone, from the young kids he helped while refereeing sports, to the friends he supported through thick and thin, the family he was always there for or just being the guy in the room that you were able to connect with.

He is survived by his parents, his brother and sister-in-law, John T. and Karina M. Harmon and his sister and brother-in-law, Crystle J. (Harmon) and Robert J. Peters, and numerous aunts, uncles, cousins, nephews, and a niece.

Marcus you will be forever missed and always in our hearts.

Visiting hours for all family, friends and colleagues will be held between 4pm and 6pm on Tuesday, December 15th. Between 6pm and 7pm we will celebrate his life with words from those who loved him.

What a beautiful tribute. I didn't know Marcus or his family and in fact just happened to stumble upon his obituary in the search for someone else. After reading about Marcus & watching his tribute however, it made me wish that I did know him & in turn felt compelled to write this for his family. He reminds me a lot of the closest friends of mine and even myself, seeing so many similarities between us - from his love of the Red Sox & Celtics to the devotion he has his loved ones. So sad to think that someone so young & vibrant had to leave his family & friends so soon. I hope that knowing that Marcus is in God's hands & in His Kingdom will bring a peacefulness to you all & the understanding that you will be with him again. Until then, may the memories of Marcus warm your hearts & bring a smile to your faces.

“ *Marcus was the baby of our two families. We have so many happy memories of him. He was such a happy boy. Who wouldn't be having Doris and Dell as parents? Krista thinks of him as her baby brother. We all loved his little smiley face. Doris and Dell and family we love you all and are thinking of you every day. All of our love, Pam and Bruce Harwood*

“ My sincerest condolences to the Harmon Family! I worked as Marcus' s assistant for almost a year (from Nov 2013 until I had to leave C&S for family reasons in Oct 2014.) He was a great guy to work for and with! If it wasn't for his almost daily encouraging words, I wouldn't have been fortunate to have been able to have worked with him for as long as I was able to before having to leave. He will be missed by many and you should be proud of all of the things he accomplished and honored by all the friends and people he meant so much too!

“ Marcus was the most joyous person. Very down to earth and very unflappable. I loved that my son, Jameson, was so close with him from grade school, on basketball teams, and right through college. The world is a poorer place without him. Rest in power, Marcus. Greatest condolences to his wonderful family.

“ When someone is taken away from us
It makes us all feel sad.
But remember all the happy times
And that will make us glad.
When someone is taken away from us
Its the little things we miss.
But remember all those little things
A smile, a laugh, a kiss.
When someone is taken away from us
It fills our heart with pain.
A feeling that can overwhelm
A feeling we cant explain.
When someone is taken away from us
And we dont know what to do.
If we close our eyes and picture them
They will never be far from you.
So when someone is taken away from us
And we feel all numb inside.
Just hold on to your memories
And the taken will be by your side.

My thoughts and prayers are with you all.

Marcus was highly respected by his co-workers throughout C&S Wholesale Grocers Inc. Please accept my heartfelt condolences at this difficult time. Marcus was thoughtful man who always had a bright smile for others.
