“ A poem for Marney... Thank you Marney A wonderful friend you'll always be missed that won't end. Just knowing you has been a pleasure. The time we had I'll always treasure Your knowledge of fashion you shared with me is a part of our friendship that came to be. Our friendship not just my mother in law will always be bright without a doubt. The guidance you gave showed me the way helped me though tough times night and day. And all the things you did for me in my life was not just because I was your sons wife. You cared for me deeply I know it's true because you were there for me through and through Thank you Marney A wonderful friend with all the love in this world to you I send. Rest In Peace in Gods loving care I know I'll see you again some day somewhere love always prevails Deborah
