“ I left what I thought were thoughts and memories of Margie....but it didn't post although my photos did post. First let me offer my condolences to the Ignezi and the Harrold Families. I am so very sorry for your loss. Margie and I and Margie's sister Jayne, go back all the way to 1958..in West Deer Twp...in Pennsylvania. We attended grade school together, dancing school, Brownies and had many slumber parties. We kept in touch after they moved to Kittanning. I remember their cat making it all the way back to West Deer from Kittinning...more than once. Margie was such a great friend. We lost touch once we hit High School, but years later...thanks to Facebook...I located her many yrs ago and we reconnected and found a few other friends in the process. It is important to cherish your friends, and your family and know that ..they all touch us in a special way. I will miss Margie, but it does my heart good to know that she is only a memory away. To the Families, My husband Lou and I extend our heartfelt sympathy to all who knew her. You can find my photos that posted last night. Many of you may have already seen them. Margie, praying you find Peace and know that you are in our hearts and our prayers

“ Just last week I heard about Marge's illness; I was shocked to hear that sad news and am so very saddened to hear that she passed away today. Way too young....but she will always be remembered at St Kathryn's for all she contributed in both time and talent. My condolences to her entire family....may she rest in God's Heavenly Kingdom. RIP Marge....you will be missed.
