“ *I was at Alvirne HS and a classmate of Deb. I often visited Deb and met David, Marlene and Gail back in 1978. I am a Cuban born naturalized U.S. citizen but the Curthbertsons welcomed me as an old local neighbor. Marlene's laughter and kindness remain vivid in my mind. I have tried to keep in touch over the years and just now learned of Marlene's passing. My thoughts and prayers are extended to David, Deb, Gail and Adam and his young family.*

My mother Audrey Kiepper went to nursing school with Marlene and she and David were my Godparents. She had kept in touch with my mom over the years and we were sad to hear of her death. I remember her as a happy, smart, forthright woman. She told me antics of my mom in nursing school. My mom cares for her very much. She'll be missed.
