“ *I'm stunned...*

I having been going to the dental practice for many years. Mary was always cheerful, kind and thoughtful. With everything she had on my plate, she found time to send me a condolence card when my mother passed on, always asked after my health, my husband. She was golden and I'm sure lighting up heaven.

“ My deepest sympathy to the family and friends of Mary. She was such a compassionate and caring person and reminded me that in time things will get easier when my husband passed away. I also enjoyed our conversations about her kitty.

*You can shed tears that she is gone,
or you can smile because she lived,*

*You can close your eyes and pray that she will come back,
or you can open your eyes and see all that she has left.*

*Your heart can be empty because you can't see her,
or you can be full of the love that you shared,*

*You can turn your back on tomorrow and live yesterday,
or you can be happy for tomorrow because of yesterday.*

*You can remember her and only that she is gone,
or you can cherish her memory and let it live on.*

*You can cry and close your mind, be empty and turn back,
or you can do what she would want:*

Smile, open your eyes, love and go on.

“ I only met Mary within the last year, as my family transitioned to her dental office, and yet my heart is broken for her tragic ending. I was at the office again today, and could still feel her warmth and compassion. Both in person and on the phone, she had a beautiful way to make me feel at ease and bring a smile to my face. I miss her. And I won't forget her.

“ *The Staff & Residents at Marguerite's Place wish to extend their condolences to the family and friends of Mary Danboise. We were all so blessed to have been part of her circle. She provided many services to our residents; treating them like royalty and being such a positive, loving influence on them (and us) in so many ways.*

The world will be a little darker without Mary. Even as she is serving a larger purpose now we will miss her and honor her by remembering her warmth, kindness, generosity and her gentle and loving spirit.

God Speed Mary. May you rest in peace and know that you have touched so many in so many ways.

“ Mary you were a nice woman. I remember years ago you invited us to a party at your home. With all the work and prep you must have had to do (it was a big party) you took the time to get a gift for each of my boys, who were little back then. I was so touched and I never forgot your kindness. You were also very sympathetic when one of our cats passed away. There were other times you expressed kindness to us as well. I can tell from the words of others that that's just the kind of person you were. I wish we could have gotten to know each other better. May you now have everlasting peace and joy with the Lord.

“ My sympathies to the family.. I have been receiving kind thoughts and many bottles of water over the years from Mary. She always asked about my son and was compassionate in the way she spoke. That office is decorated of Mary and when I go for my next visit, I will feel her presence there. I am sorry for the way her life has been taken.

“ Mary was the type of person that once you met her you would never forget her. I had the privilege of working with Mary for almost 4 years as their hygienist. She was always there to offer advice or lend an ear if needed. I am glad I had a brief moment in time to share with her and she will be missed. My condolences to her family whom I know she loved very much.

“ Mary was such a warm person. I too looked so forward to talking with her at each of my appointments. She helped me smile through Breast Cancer, was excited when I got married and always made going to the dentist less scary and more like family. My heart is broken that she is gone, but Heaven is a sunnier place with her in it. Many peaceful thoughts and prayers to her family.

“ Mary Danboise was one of the nicest people I had honor of knowing. I met Mary upon her opening the new practice in Nashua and she made me feel so welcome and made each visit feel so personable. She always greeted everyone with a smile and was always so kind and genuine to everyone. I looked forward to catching up with her at my appointments and sharing stories....It's such a tragedy that this has happened and beyond what I would have ever thought possible...Rest in peace Mary and you will be greatly missed!!

“ *I got a call from Mary on Friday and saw her last Tuesday. The loss of such a vibrant, warm, compassionate woman is beyond tragic. I knew her for nine years, and she was always a joy to talk to. My heart breaks for all of you in her family. I still can't believe this really happened. Mary, you leave a huge hole behind.*

“ *"Let not the waves of the sea separate us now, and the years you have spent in our mist become a memory. Much have we loved you. But speechless was our love, and with veils has it been veiled. Yet now it cries aloud unto you, and would stand revealed before you. And ever has it been that love knows not its own depth until the hour of separation"*

- Kahlil Gibran

Our dearest Mary, there are no words to express our love, our sorrow and our loss. Thank you for touching our lives in so many special ways. Take what's in our hearts with you; may it bring you peace. Know that you are loved.

“*Mary Danboise was one of the nicest and kindest women I have had the honor of knowing. She made me welcome every time I can into the office, and knew of my dental anxiety. She would put me at ease and we would often trade Macy's sale stories, and sometimes even coupons!! I sometimes found myself looking forward to dental appointments knowing I would see her beautiful face and welcoming smile. My thoughts and prayers go out to her family at this difficult time. Heaven has found itself another angel. Rest in peace, Mary, you will be greatly missed.*

“*Mary Danboise was the most amazing, professional, kind, generous friend and client I have ever known. I knew Mary for 14 years, I met her when she called me to paint her and Reg's house. I then became a patient at their dental office. I painted their whole house and EVERY TIME I went , Mary would leave me a bowl, a spoon, napkin and a note that read, "Susan there's maple walnut ice cream in the freezer for you, eat so I don't" (she remembered me saying it was my favorite once) After about the 5th time I didn't eat the ice cream, she sent Reg home on his lunch hr. and he would say "Mary sent me home to make sure you eat your ice cream". When the economy went south, Mary got wind that I was slow and she got me a job at Dr. Chelian's office. She was always looking out for me. She "traded" me dental work and braces for painting. Mary was always so thrilled and thankful with everything I did for her. She would say, "Susan what ever color and design you think, I trust you", She bragged about me and my work to everyone she came in contact with. We shared pictures of our grandchildren, Oh how proud she was of them. They were her greatest joy. When I was going through my divorce, she would take me into the office to talk to me and coach me. She would just make sure I was ok, I loved that woman, I can't say enough wonderful things about her. When I heard about her passing, I was so saddened and full of grief, she was like a mother to me. I will miss her and I know someone as beautiful as she is in the arms of our heavenly Father, safe and sound. My heart goes out to her family and friends, I can't even imagine your pain. May you all find peace and comfort. Rest in peace my beautiful friend, I love you.*
