“ I was blessed with 29 years filled with love and joy from this amazing woman. She was always the first one to pick me up & encourage me to keep moving forward. She never judged me for my mistakes & always made me feel like I was good enough the way I am. I will miss her every day but I know she will always be watching over me. Every time we take a million family photos & every time I sing a song to an animal, my Nana will be right there, smiling, laughing, & feeding circus peanuts to wild monkeys at the drive thru safari.

I love you Nana. Thank you for a lifetime of amazing memories that I will forever cherish.
