“ Dear Edward, Lisa, Wanda and family

I have never met any of you but I feel I know you. Your beautiful mother worked with me many years ago. We became extremely close and she spoke highly of all of you. My husband and I had lunch or dinner with your Mum and Dad for many years. I am heartbroken to know that they have both passed away. I am forever blessed to have known them both and I find peace in knowing that they are together as they were inseparable in life. I awoke from a dream this morning in which your Dad appeared to me and sadly discovered your loss. Please accept our deepest deepest condolences.
