“ I am sad to know you are gone. You were a stand for what is right in the world and were always so generous to me. You helped me when I needed it most and were always there for me.

We were the grand dame of the McCluskey clan and will never be replaced. I wish I was with you when you departed this earth. I know that you are with me and with all those you love.

Thank you for sharing your life and love with me. Until we meet again.

Love, Nephew Bob###imported-begin###Bob Ballard###imported-end##
