“ *My heart goes out to Maureen’s family in this sad loss of such an amazing woman. I went to nursing school with Maureen & we became fast friends early on at Lowell General. After graduation our lives took us in different directions but we always kept in touch. My husband & I traveled to her homes in Nashua many times & I know how devastated she was when Gerry died. I pray she is at peace now & with Gerry again. In my heart that makes me smile because no two people loved each other more! It was hard not to love Maureen she was so compassionate with the kindest smile. I will so miss her.*

“ We will certainly miss Aunt Maureen! She was always a good listener, caring and fun to be around. Rest In Peace and I hope you will spend eternity with Uncle Jerry. ❤️

Jennie Vander Hooven - October 17, 2022 at 04:16 PM

“ Aunt Maureen wore her heart on her sleeve and all who knew her felt her love. She was so kindhearted and easy going; never judgemental, and very sensitive. Uncle Jerry was the same way. I always felt not only welcomed but wanted and needed in all our interactions. My most recent connection with Aunt Maureen was visiting her and taking her out to eat shortly after Jerry had passed so we could talk about our memories. We had a wonderful time together. Much love to the whole family as we all grieve the loss of an Earth Angel. Melissa Manseau (oldest daughter of Michael McOsker)

“ My Aunt Maureen always had a calm demeanour and a lightness about her. Her kindness showed in her interactions with others, her unconditional love for her family and through her career as a nurse caring for others. She seemed to find the silver lining in some of the most challenging times. When I reflect on her I think of her warm, genuine smile. I was always content in her presence. No matter how much time had passed I felt like we could pick up where we left off with ease. I hope all that knew her and loved her can find comfort in their memories of sweet Maureen.

Maureen and I often talked about being each others oldest friend since 3rd grade at St. Michaels. Over this past year we have attended a couple of St. mikes events the most recent a dinner a few weeks ago. We/d joke about going to these 8th grade reunions but we always had fun. Our moms were girl scout leaders together. Maureen and I planned our 50th LGH nursing school reunion last Sept. Maureen was a great support to me when my husband Brian passed away suddenly almost 3 yrs. ago. If my phone rang at 10 or 11 pm I didn't worry because it was almost always Maureen we were both night owls. I will miss you so so much my beautiful dear friend. Sandy Moulton
