“ Melissa was a beautiful woman inside and out. She was always there for me when my kids were little. So many memories I will cherish forever: concerts, hockey, a weekend in Las Vegas just to see Richard Marx. Missy you will be missed. Will remember you always. May you Rest In Peace. Love you girl! 💜💜

I will always remember Melissa. We called her MD as an inside joke referencing an old Monkees episode. We had a lot of inside jokes in and out of school, and we laughed a lot at our ridiculous shenanigans even though she would get annoyed at me for asking her to pass notes. I will always be grateful to her for all the rides she gave me in Putt Putt, that old white Ford Escort. My sincere condolences to Mr. Durocher, Jon, Sam, and your families. May your lifetime of happy memories with Melissa sustain you in this heartbreaking time.

“ *Missy was one of my best friends. She took me to my first concert to see the new kids on the block with her. Then we saw Rob Thomas and twice to Bon Jovi. I messaged her on her birthday for a Pizza Hut date once this covid stuff died down. I will go in her memory. I will miss her every single day of my life. My condolences go out to the family. I love you guys.*
