“ *So sorry to learn of your loss. Mike and I were shipmates and friends on the USS Coontz. He visited me in Wyoming on his motorcycle and we kept in touch until the late 80s. He was an excellent tech in the Navy and a good friend to many of us. I would be happy to talk about Mike if it is ever something you folks want to do. Tom Campbell. tomandbecky@bresnan.net.*

“ *Mike was the most intelligent, hysterically funny and wittiest guy I have ever met. Oh how he would make us laugh! It was such a pleasure working with him. He was also such a proud father/grandfather as told by the pictures he would often share with us. Most recently, pictures of his "lunch break" shoveling out of the snow with his daughter and granddaughter last Thursday. Mike, you will be sorely missed.*
