“ *Pauline, Sean & Erin, I am so sorry for your loss. He was such a sweet, funny, outgoing guy that I loved as soon as I met him. I remember him coming by NRH to have lunch with you, Pauline, and always chatting up the women in the office. I am so glad you and I became good friends during that time. I can't express how sad I am for all of you. Pauline, please know I am here for you no matter what, as you know, we have both experienced the same heartache. XOXO Love to you all, Gail Williamson*
