

Mildred Katherine Kearns

October 27, 1929 - July 1, 2017

Mildred Katherine Kearns, (Grammy), longtime resident of Hudson NH, passed away peacefully surrounded by her loving family on Saturday July 1, 2017. She was born on October 27, 1929 in Somerville, Mass and was the daughter of the late Katherine (Sheehan) and Vincent James.

Mildred loved her family fiercely. Her many grandchildren were the light of her life and she was so proud of each one of them. She was so excited for the upcoming birth of another great grandson. She loved her life as a mom and grandmother.

Jigsaw puzzles were a favorite past time as was reading murder mysteries, jellybeans, a hot cup of tea, the ocean and her flower gardens. She loved blue bachelor buttons in particular. She had a witty sense of Irish humor and was always laughing sometimes not even knowing why. She was known for inventing new words including her infamous "Hazel Crispy". You could find her doing her ironing and singing along with Willie Nelson.

Her life was not an easy one but she faced her health issues head on. Through it all she remained funny and loving. She was a gentle, tender soul who made you feel unconditionally loved.

She is survived by her husband Frederick F. Kearns Jr of Hudson NH, son

Paul Kearns and his wife Carol of Milford, son Stephen Kearns and his wife Gloria of Merrimack, daughter Jean (Kearns) Saytanides and her husband Jim of Milford, daughter Kathy (Kearns) Jarry and her husband Doug of Nashua, daughter Callie Kearns of Hudson, daughter Ellen (Kearns) Parsons and her husband Chris of Texas and daughter Arlene (Kearns) Boisvert and her husband Ralph of Nashua as well as many grandchildren and great grandchildren. Toora Looora mom, until we meet again.

Visiting hours will be held on Thursday, July 6th from 5pm-7:30pm with a Service of Remembrance beginning at 7:30pm in the DUMONT-SULLIVAN FUNERAL HOME, 50 FERRY ST., HUDSON, NH. “ *I know you've been near! I moved Grammy to a new house in a new state. I love birds and flowers. I put a new bird feeder out and was really getting down because I hadn't seen any birds. Well 3 days ago a bright. beautiful red Cardinal flew right past me. Yesterday he flew by again and brought his wife. Today I woke up to a cute little sparrow in my entry way hiding in my tropical plants. I love you Grammy always and forever! Fly high!*

“ I have so many wonderful memories of Dred I don't even know where to start! I love how she would say "chicken's upstairs property" because the word "breast" was just too dirty! I remember she tried to kill me by putting saran wrap in my beef stew! She used to let me cut her hair when I was in hairdressing school! She made the BEST striped cookies and oatmeal cookies! She welcomed me into her home on a regular basis during the teen years, and wasn't afraid to set me straight when needed either! Dred will always be alive and well in my heart. Until we meet again...

“ My mom was very creative with our hair. When you have 5 girls you need to be that way. The night before any special event like Easter or school pics she would roll our hair up in paper napkins and the next day we had curls. This just came to mind. I had to share!
