“ *I will never forget Monique's kindness and willingness to help others when she could. She was probably the most polite woman I have ever met. She faced many obstacles in life, including chronic pain, but managed to stay upbeat and mindful of others.*

She will be sorely missed. I have faith that she is in a better place now, but her passing still leaves a hole that will last a lifetime.

Rest in peace, Monique.

“ *Monique was a kind soul and our family loved her. She was also a generous and sweet aunt to my children, and a caring sister-in-law. I hope she is finally at peace and free of pain. She left too soon, but I will never forget her. My sincerest condolences to her friends and family. Jennie (Cook) Siegel, Scott's sister.*

“ It's so hard to believe and unnatural when your niece passes before you. I held you when you cried, changed your diapers and gave you bottles. I watched your sweet face as you slept and smile still when I think how your bottom lip moved. You never outgrew that. You were the sweetest little girl. Uncle Bill and I loved having you and your sister for sleep overs. Loved how mims called you her little Micky Mouse. You were such a happy care free little one. My hope and prayer Mo is that you find the love, happiness and peace you found so allusive in this life. My only solace in this is that you're going home. I love you and pray for you every day.

Love,
Gom

To Bob and Renee, my prayers are with you both. In my heart I know Cheryl and mom were there to welcome her. I hope this gives you a little peace.

Love Deb
