“ *For the family of Nancy my deepest condolences on your loss. My wife and I frequented Brown's Agway with our young children during the 80's since we lived around the corner on Riverside Ave. Nancy and her husband Bob were always friendly to us and our children just loved all the different kinds of animal life that were there. Perhaps you believe in a loving creator who loves us all and in his word the Bible we can receive comfort and support at such a time as this. Even when Jesus was on the earth he experienced the loss of his dear friend Lazarus you can read this account at John chapter 11. There in that account Jesus not only gives us hope to see our loved ones again by the power given him to raise the dead by resurrection but also he describes the condition of our loved ones who have passed away as being asleep. I pray that you may find this a small measure of comfort at this difficult time.*

Sincerely Casey and Erin Bruen

This is so very beautiful, Bobby. Mima would be pleased to see this poignant expression of love she gave to everyone, especially her beloved Bob. She was my adoptive mother and you all, my adoptive family for most of my life. My heart aches along with each of you as you say farewell to this amazing, loving, unforgettable, irreplaceable woman. She instilled her grace and strength in each of you and along with her beloved Bob, set the bar and gave us example of how to live a good life. She remains with us in spirit, and will watch over her family as always. I wish you all peace and continued unconditional love. May God bless you all 🙏💔🙏😊
