“ *I am so sorry to hear this. I have many fond memories of Mrs. Steinkrauss from when Amherst - she was a kind and lovely person.*

“ *My sympathies go out to Jack and all 3 boys. As a neighbor and babysitter I knew Nancy's generosity, friendship and her mothering skills. When graduating from high school, she gifted me with a basket of UNH themed items. Although we had not seen each other in decades, I was updated on her health challenges via my parents. “ Nancy had this great magnet that said there is a special place in heaven for the mother of three boys. I think this is true and I think she is in a special place now.

One of my favorite memories of her was one Wednesday before Thanksgiving. Jim and I would always head to Westboro in the afternoon and stay up late with her watching movies. On one occasion, we watched *My Big Fat Greek Wedding*. I just remember her laughing to the point of tears. Even today, this memory makes me smile and I always think of her when I see this movie. She was not my Mom, but she welcomed me into her life as a daughter and I will cherish all the times we shared together.

She never laughed halfway. It always filled the room. I remember it echoing through Jim's house in Amherst.

Yes just younger enough to be amazed at Marie and Nancy as a kid. Loved Nancy's laugh a lot and her awesome sense of humor! Someone definitely who will be greatly missed!

Making cookies with her when I was really young, wallpapering my bedroom for me, spending time at her cottage and allowing us to bring Cocoa even though she was very afraid of dogs.

Nancy was not only a wonderful sister, but also a truly great friend. She was always there, and always quick to offer you a hand with anything you needed done; often before you even asked. I remember her coming quite a distance to drive Kelly to school when I was overdue, and when Sean was first born, because I wasn't supposed to drive. She was always a great sounding board and never hesitated to give her opinion. Her laugh and her smile is forever burned in my memory and she will be greatly missed. The only solace, is that I know she is in great company. My heart breaks for all who loved her.

Nancy and Jack-friends for over 40 yrs-delighted when they finally came back to NH. Marilyn Sanfacon and I will sorely miss our Friday morning visits with Nancy. Loved that pepper jelly and Christmas snowmen are still with our scattered Scollin Family.

One of my favorite memories was when I visited Nancy at the cottage on the lake in New Hampshire. Nancy drove me and my friend around New Hampshire looking for the best of New England's fall colors, and along the way exploring quaint old antique shops and enjoying wonderful roadside restaurants.

Nancy was my puzzle buddy although I could never match her expertise and speed in completing a puzzle. The puzzle gene is now being carried on in our granddaughters Sophie and Fiona.

Nancy and I were friends, mothers, and grandmothers, and I will miss her.
