“ *Grampie, I'll miss seeing how much you loved your great grand children. It brought me so much joy to see them running around your house and see your smile glow. When I think of you, I think of our trips to Ohio, and I think of you cheering me on almost every softball game as a child, and I think of how happy it made my mom to get to spend so much time with you. I'll miss having them FaceTime you every weekend to say hi. I love you Grampie! Love always, your beautiful funky mama* ❤️❤️❤️

Dad, where do I begin? The times I spent with you mean the world to me! The conversations, the stories of Ohio! Our walks, our lunches, or just hanging watching movies together! But the best was sharing Aiden's hockey with you! Sending you videos & you telling me how much you loved them! And you asking me how's he doing? And then going over the videos with me💙 You will be forever missed in this family! Til we meet again! I love you Toni❤️❤️❤️
