

Nicholas Coolen

September 29, 2020

Nicholas A. Coolen died suddenly on September 29, 2020. Nicholas was the only child to Marjorie Jozokos (Coolen). There was always a bond that will never be broken between a mother and her only child.

He loved his job as a parts associate at United Rentals in Hooksett NH. He formerly worked at Auto Zone in Raymond NH.

Nicholas had a passion for his Jeep and his motorcycle. He spent countless hours working on them. He loved his friends and was always seen with his side kick Connor Chadwick of Derry NH. Nicholas and his girlfriend Jessika were two peas in a pod and he loved her and little miss Mia to pieces. The two of them were so good for each other.

He was a graduate of the class of 2012 from Pinkerton Academy in Derry NH. Nick had such a great demeanor and personality. Nick was also an organ donor and even though he is no longer with us, he is still helping others with his natural giving ways. He was always willing to lend a hand to anyone in need.

Nicholas leaves behind his Mother Marjorie A. Jozokos (Coolen) of Hudson NH and her husband Shawn Jozokos of Hudson NH. His beloved girlfriend of five years Jessika Nalen and little Miss Mia Nicks step daughter who is six.

His maternal grandmother Elaine Coolen and grandfather Ronald Coolen of Georgetown MA and his Uncle Joe Coolen of West Nee Field Maine and his Aunt Stephanie Coolen. He also leaves behind his Aunt Phyllis, Cousin Nicole and Kali Holden of Holbrook MA. His cousin Kim Holden of Woolwich Township New Jersey and Lilliana and Nicolette Young also of New Jersey, and his Aunt Donna of Lynn MA. Nicholas also leaves behind so many friends that were like family. He is gone but will never be forgotten.

Nicholas will be cremated and there will be a celebration of Nick's life at a later date.

“ *At United Rentals we feel Nick's loss each day when we look over and at his desk and he is not smiling and offering to solve a problem, finish Keith's sentence or thought or to offer to pick up lunch for the guys at noon. He was meticulous, his work ethic was second to none and he was always smiling and willing to make your day a little better. We will miss you, you were very loved and will always be remembered.*

“ Nick pushed my to get my bike ready to race with him. Texted me everyday to check tracking and to make sure I was getting my parts in time. If it wasn't for him I wouldn't have had the best moment I have ever had on a motorcycle. And that was drag racing for my first time ever next to one of my most amazing friends. Love you buddy!

“ Friends since high school, you were a big part of my life, and were always a great friend to me. Helped me out whenever I asked without even questioning me. We talked all the time about cars/motorcycles. Just a few weeks ago we were talking about how we have very few people we consider friends and that we always have each other's back. You were the most genuine guy I knew in this generation. Rest In Peace bro, until we meet again.

We were so sorry to hear about Nicholas's passing. He was Facebook friends with our son, as they shared the same name. We also saw a family resemblance between them and they had mutual friends. We are heartbroken for you all, and Barry's brother Ronald. Our deepest sympathy to you all. Barry and Lynn Coolen
