“ *To my dear brother Nick,*

I will miss you so much. You were too young for God to take you from all of us. I know you are at peace now, no more suffering, I guess God didn't want you to suffer anymore, so for your sake he took you quickly. You will be in my heart and thoughts always, I will never forget you. You were a great brother, son, son-in-law, husband, father and grandfather. We had alot of great years and memories together. Well I guess God made you another angel to look over me. You were a great brother and I thank you for your love you gave me over the years.

I will walk with you everyday in the memories you left behind.

Love your sister, Elaine##imported-begin##Elaine Molleur (sister)##imported-end##
