“ I knew Nikki as Nicole from Balance Spa. As soon as we met we instantly hit it off. Noone gave a Chocolate pedicure like Nikki! She was beautiful inside and out. She wasn't a typical woman in her twenties. She genuinely cared about others and wasn't impressed with material things. I am so saddened by your loss. I feel like I know her mom, brothers, and of course Ryan. She Loved you all so much! God must have needed her more than we do as our Guardian Angel! God Bless! She will be missed in my heart forever. “ Nicole, just from being your client 4 or 5 times... I've never met anyone in my life that made me feel like i was a friend the first time of meeting eachother, you did that. We had many great conversations, and laughs. It was an absolute pleasure getting to know you. I will miss seeing your smiling face at Skin and Health. “ I didn't know Nikki personally but I've known her mom a very long time ( right there I know she was an angel) and heard so many wonderful things about her. I have a very strong feeling that she would want everyone to think of her with smiles and not tears. She is still with us every day, just without the pain, hurt, and other unhappy things that life brings us. She is in a wonderful place and feels those unpleasant things no more (just a little sooner than most of us do).I know it's hard but keep smiling for Nikki. God bless her and all she left behind###imported-begin##Amy Gallagher###imported-end##

“ My dear little Nicole,  
Words cannot describe the sorrow I feel with your loss. It seems like only yesterday I was bouncing you on my knee as a toddler, while visiting with your Mom during my college years. This life holds many mysteries. Unwavering faith in God is the armour I wear to navigate the time here as we pass through. But, through we shall all pass, and be together again soon with you, for certain. LOVE, HUGS, and KISSES,.... UNCLE JOHNNY###imported-begin##Uncle Johnny##imported-end##
