“ Norma Kilbane also know as Mom to myself and my sisters and brother. We were neighbors for many years and have many memories of the times we spent as kids running around the neighborhood. You will be missed by all who knew you. May God bless you and your entire family.

“ Dearest Norma,
We were so happy to have you and Mark join our small family gatherings during the holidays. Always managed to have a few laughs. You and Aunt Kathy always had a great time. Now we have lost Patty, Aunt Kathy and you all this year!
I remember you as such a beautiful, always perfectly dressed, always smiling lady. You will be missed by many.
I hope your all laughing up there 😂.

You were such a huge part of my younger years and later on in life I loved bringing my grandkids by for a visit, The last 5 years has been rough for you but now you are at peace in heaven with your husband and son and grandson. I heard they have bingo up there.*

May you rest in eternal peace Mom, I will always love you.
