“ I am very sorry to hear of Ozie's passing. I spoke with Ozie the last week in October and we touched briefly upon our many years working together but we talked mostly about family. Ozie was very proud of his children and grandchildren and didn't hesitate to express how happy they made him feel.

Please accept my deepest sympathy for your loss.

“ A very young Ozie hired me into the printing trade way back in 1969. I worked with him at several different companies over the years, most recently at Kirkwood. Oz was always a pleasure to work with, and had a great sense of humor. He was the kind of guy that looked after his fellow workers and was always willing to help.

He has been, and will continue to be, missed.
