

Patricia Irene Raymond

March 29, 2022

Patricia Raymond passed away on March 29th 2022 after a long illness. She was 83 years old. To say that she lost the battle would be wrong, because she never really stopped fighting.

Born in Lancaster PA, raised on a farm and educated in the big city (Philadelphia) Patricia was recognized as a young lady with many virtues and talents, including; starting as a Drum Majorette in her high school, tending a working farm with her grandparents, teaching Sunday School and assisting patients in her Grandmother's assisted living home.

In 1957 she married the love of her life; Arthur G. Raymond Sr. They were married for 51 years until he predeceased her in 2008. She is survived by her four children, Arthur G Raymond Jr, Andrew (and Georgie) Raymond, Alan Raymond and Dominique (and Paul) Stevens. She is also survived by her loving grandchildren whom she often boasted about: Somantha (and Angel) Cedeno (Sofia, Andrea and Cruz), Arthur G. Raymond III, Cameron Raymond, Anthony (and Jossy) Raymond, Jordan (and Laura Raymond (Levi)) Tanner Raymond, Miles Raymond and Elgin Raymond. She is also survived by her sister Rosemary Frechette and sister in law Patricia Bonner and numerous nieces and nephews.

She was predeceased by her wonderful mother Helen Tabbutt and father

Charles Bonner, her brother David Bonner and Brother-in-law; Louis Frechette.

Patricia was a fixture in the volunteer circuit of Nashua. She was an active supporter and role player in the First New Hampshire Regiment, Co-Chairwoman of the Nashua Bicentennial Committee, Chairwoman of the local chapter of the National Association of the Physically Handicapped, active member of the Daughters of the American Revolution holding many leadership positions over the years, and especially for the New Hampshire based Services for Blind, as a mentor and leader. She was a champion for independent seniors and independence for the vision impaired.

She has worked as an Outreach Specialist in the Employment and Training field for New Hampshire Job Training for over 15 years assisting thousands of people in need.

Patricia's inspiration as a vision impaired mother raising three behaviorally challenged children (and one good one) while earning her associates degree and running a busy household manifested itself as a Boy Scout Mom, Band Mom, and in her status as family matriarch and moral north star.

She was a voracious, lifelong reader, making it from "A" through "M" of the Philadelphia Public Library. Additionally she enjoyed music and dance, participating in line dances at the Senior Center.

Her wisdom, her counsel, her humor and her love will be deeply missed by all who had the advantage in life of knowing her.

A time of visitation will be held on Monday, April 4th from 4pm -5:30pm with a Service of Remembrance taking place at 5:30pm in the Dumont-Sullivan Funeral Home, 50 Ferry St., in Hudson, NH. Following cremation, burial will

be private.

In lieu of flowers the family encourages donations be made in Patricia's loving memory to Future In Sight at <https://futureinsight.org> an organization that assists those with visual impairments.

“ Aunt Pat was always fun, with her inner wisdom shining through her humor and always insightful observations. When she described something or commented, I found myself nodding and saying, "Exactly" with a smile.

Cathi and I were dating when I went to my first "Raymond Cookout." It was a great time! "Meeting the family" can have anxious moments, but Aunt Pat instantly made me feel welcome and like I'd known her for years. I always looked forward to joining her, and the whole Raymond clan for many more cookouts and events.

We met a few times in recent years and despite physical challenges with vision and getting around, her fun inner wisdom was still shining through.

“ How does one describe the depth of loving influence your mother had on so many of us, but I can simply share that she always made me feel understood and accepted. Aunt Pat was quick with a laugh and an optimistic outlook, and her wonderful family gatherings built loving memories for our family. What a beautiful family she raised, and how many wonderful ways in which she made those around her feel included and loved. I will miss her, but not forget her.

“ When I think about your Mom, I always remember her warm smile, positive personality, her wonderful laugh, her ability to light up the room and take time for everyone regardless of what she was doing at the moment. Your Mom had such an incredible impact on everyone she touched her entire life. When I came away from time with Patty, I was always full of energy and felt great. She had the ability to do this to you. She was also a wonderful sounding board on life and lessons learned. She was very real about life and always spoke her mind in such a way that it was very receptive. She was a lady of many talents but one that comes to mind was her storytelling. I learned so much from her about life and family. And rest assured, you were guaranteed to laugh every time you were talking with her. I believe Patty not only impacted our lives while she was with us. I believe she will have a lasting impact. There is a lot of Patty’s love, kindness and wonderful personality that rubbed off on us. So, as we go forward, you do not have to look far to find Patty. She is in each of our hearts, minds and in everything we do going forward. We love you Patty. God has got you. You are now back together with Art, the love of your life as well as family and friends. Enjoy the welcoming party in heaven. We will all see you in our own time. For now we will support and love your children, family and friends. God Bless!
