“ Devastating!! Our deepest condolences go out to Kathy, Michaela, Andrew and Jenna, and the entire family. Paul was an extremely friendly, helpful, hardworking and generous young man, among other things. A neighbor of 19+ years, it didn't take long in the first year or so to consider him much more of a friend. I've lived in many different places and towns in my life, and I can safely say that Paul and his family have to be one of the best neighbors I've ever had. He is and will always be missed. Paul, rest in peace.

“ Paul always treated me like one of his own kids. (maybe even nicer to me than his own lol) He provided a loving and caring home where I had countless sleepovers, plenty of meals, used the pool, the hot tub, lounged on the couch, etc and never felt an ounce of being unwanted or overstaying. A place where I could walk in and check the fridge without a second thought. He was always happy to see me and would never let me walk by without giving him a big hug first. I'm grateful for everything he's done for me even if I didn't realize the significance at the time.
Love you guys. Kathy, Michaela, Andrew and Jenna. ❤️
