“ *So sorry for your loss. Paula was like an angel to me. We spent so much time talking about our lives, both in the past and in the present. She was one of the kindest people I have ever met. Everywhere we went, she was so nice to everyone, even when they were not so nice. I feel very blessed to have known her and I am very grateful that I was able to be there to help out when she needed cleaning or errands or just to listen and talk with her. My life has changed for the better because of her. Heaven has a special angel now. I am happy that she will not be in pain any longer. I will my friend. RIP*

“ Dear Victor. Charlie and I are so very sorry for the loss of Paula. She seems to have been a very special lady. I wish I had had the chance to get to know her myself. You gave her so much love and caring and are a special person yourself for that. As you know, we are both here for you anytime you need anything. Rest in Peace Paula. You will be missed by many.

“ Dear Victor, Fawn & Summer, Our hearts and sympathies go out to you during this difficult time. I have many great memories of times Paula & I shared. One that stands out the most, is the time Paula & her "Sarah" spent with me & my "Samurai" on the final day of his life. Paula loved animals so much, & that she would take time to console & share in my grief is a very special memory. I will miss our long chats, even after I moved away. Much Love, Wynell & Brana

“ *Paula was loving, fun, crazy, short-tempered at times, but treated us like family. Being part of the Salzburg Cafe was one of the best memories that Ed and I have. After all, that is where we met and fell in love. We've been married 25 yrs. Fawn thought we would make a cute couple :) Paula was not just a boss. She was a friend. Fawn, Summer, Joey, and of course, Mike, were all extended family. I'm just sad so much time passed and we didn't stay in touch. Rest in Peace, Paula. I'm sorry you were so sick. Now you are with Mike, your Mom, and all of the other angels. Much love, Kym & Ed Ribbans*
