

## Peter G. Dolloff

April 22, 1935 - April 26, 2020

Peter G. Dolloff, longtime resident of Hudson, New Hampshire, passed away peacefully at his home, surrounded by his family on April 26th, 2020, at the age of 85. He was born April 22, 1935, to Francis W. and Jenny Sarah Dolloff of Waltham, Massachusetts. Peter was predeceased by the love of his life, Leona A. (Rousseau) Dolloff, whom he married on September 10, 1960, at St. Charles Church in Waltham.

Peter is survived by his sister Frances Orland, who resides in Santa Cruz, California, with her husband Ted Orland. His children include his son Peter and wife Laura Dolloff, of Manchester, New Hampshire; his son H. Francis Dolloff and wife Pamela Dolloff, of Concord, New Hampshire; his son Christopher Dolloff and wife Theresa Dolloff of Scottsdale, Arizona; his daughter Dr. Jennifer Dolloff and husband Richard Zampieri of Brookline, New Hampshire; and his daughter Elizabeth Dolloff Grundhoefer and husband Michael Grundhoefer, of St. Paul, Minnesota. Peter will be dearly missed by his eleven loving grandchildren and eleven great-grandchildren, who called him "Pop": Ashley Stiles, Stephanie Cotito-Dolloff, Brittany Dolloff, Samantha Sanchez, Adam Dolloff, Michele Mehrabian, Sarah Dolloff, Isabella "Bella" Zampieri, Giovanni "John" Zampieri, Anna-Beth Grundhoefer, and Theresa "Tess" Grundhoefer; great-grandchildren include Nathaniel, Eva, Matthew, Logan, Dayana, Walter, Rosamond, Frederick, Bentley, Jack, Greyson.

Peter graduated from the College of the Holy Cross with a Bachelors of Science Degree in 1956; he received a Masters of Education in 1961 from Boston State College; he received a Certificate of Advanced Graduate Study in Educational Administration from Boston University in 1969.

Peter served his country in the United States Army for two years before embarking on a professional career in education.

He started his career as a teaching Principal of Brookline Elementary Schools from 1961 to 1964. From 1964 through 1966 he served as the Principal of Bedford Memorial School and McKelvie School. From 1966 through 1971 he served as the Assistant Superintendent to School Administrative Unit (SAU) 27, and Superintendent from 1971 through 1997. During this time, the School Administrative Unit 27 included the towns of Hudson, Litchfield, Bedford, Merrimack, Windham, and Pelham.

During his career, Peter served as President of the NH School Administrators' Association and the New England Association of School Superintendents. He was awarded the New Hampshire Superintendent of the Year in 1990. Peter served as the Chairman of the Board of the New England School Development Council and Chairman of the Board of NH School Insurance Trust. He was a founding member of SERESC (Southeastern Regional Educational Service Center). Peter was a Charter Member of the Hudson/Litchfield Rotary Club and was named a Paul Harris Fellow by the NH Rotary Club. He was a member of the Board of Directors of the Nashua Adult Learning Center, and a member of the Board of Directors of the Greater Nashua YMCA, for which he also served as Trustee. Peter was an active member of the Alvirne Trustees from 2010 until the time of his death.

A sports enthusiast who loved the outdoors and being active, Peter enjoyed hiking, camping, skiing, tennis, and golf; he was committed to running or

walking daily. He ran in multiple road races, including the Milwaukee Marathon and the Hollis Half-Marathon. Early in his life, he was a skilled baseball player and bowler.

Peter was a voracious reader and lifelong student. He and Leona were fond of traveling with the Road Scholars, as well as other educational groups. One of his pursuits was to visit as many Presidential Libraries as possible across the country. From their travels Peter collected a large number of the United States Presidential biographies and loved nothing more than reading about our Presidential history.

"We make a living by what we get; <sup>SEP</sup>we make a life by what we give"

“ Just seen that Supt. Dolloff passed; Not long before I left Hudson (1983), I had one of those moments that reminded me why you can never let your guard down in this job ( as a police officer).  
Back in my Walpole days, I'd crossed paths with a kid from Lowell. I knew his brother — he was my age — but this young man had gone a different direction. By the time I was working the blocks, he was serving a prison sentence. Seeing him behind bars was a small-world shock, but one I filed away and carried with me.  
Fast forward to 1983. I was serving as Hudson's PD youth officer and had a standing meeting with Superintendent Peter Dolloff to talk about student issues. As I walked up to the school building, I noticed a man leaning casually against the fence — the same fence that enclosed the playground where kids played at recess. He looked up at me, and in an instant, I knew exactly who he was: the inmate from Walpole.  
I went straight to Superintendent Dolloff office asked if he knew the man standing over the fence where the children were having recess, he stated he just hired him to assist in the outside activities. I then asked for the man's file. Surprised but trusting my judgment, he handed it over. Sure enough, the gaps told the story. On the application, the man had written he'd been in “college” between 1975 and 1977. In a way, he wasn't lying — it had been the school of hard knocks. He'd been in Walpole.  
The superintendent was floored. Within minutes, the principal was called, and the man was removed from the grounds. The Hudson Police Department was notified, and the school was made aware of just how close they had come to letting someone with that history work alongside children.  
For me, it was another reminder of why you never switch off. You're always scanning, always remembering faces, always drawing from what you've lived. And in that moment, the lessons from Lowell, Walpole, and Hudson all came together. You didn't just show up to work — you stayed ready to make a difference. An excerpt from my memoir " Growing Up Lowell". Former Hudson NH Youth Officer 1980-1985 Bob DeMoura

“ *As an employee of the Hudson School District for many years, I had the privilege of working with your Dad, Mr. Peter Dolloff, for several years. I want you to know he was one absolutely amazing leader.. a class act in every sense of the word. I always had so much respect for this man, who, in his quiet gentle way, ran the district like clockwork. He was a man of the highest integrity, always with a pleasant smile, knowing the name of every employee he came across....even ME, a paraeducator! THAT is how I will always remember Mr. Dolloff, your father, a truly gentle, gentleman.*

*A wonderful, loving Dad is a gift.*

*He will remain forever in your hearts, of that I am sure.*

“ I was sad to read this morning of Peter's death. What a wonderful  
man! Peter was Superintendent of SAU #27 when I served there as  
Director of Special Services. He remains in my memory as the ideal  
example of a superintendent, leader, boss, educator, community  
contributor, and mentor. He is an example in my life of a  
compassionate, principled man who's integrity I will always admire.  
My thoughts are with his family.

*Peter was the reason I became a teacher. In 1970, I didn't know what to do next with my life, so I took an education course at Rivier. Then Hudson Asst. Superintendent Peter was the instructor, and that course and his advice pointed me toward what would become 30 plus years in the classroom.*

“ As you know, Peter was a Charter Member of the Hudson-Litchfield Rotary Club. He also served two terms as President of the Club, 1993-1994 and again in 1998-1999. I had the honor of meeting him only once, when he spoke to the Club in December 2018, the 47th anniversary of the Charter Day of the then-Hudson Rotary Club. I found him to be a true gentleman and very gracious with his time. He provided us with insight on the founding of the Club and its a history, interspersed with anecdotes of his time as a member, all of which were enlightening and entertaining. He also provided us with written notes which will preserve the Club history. We named him an Honorary Member of the Club in 2019. For myself and the fellow members of the Hudson-Litchfield Rotary, who knew him far longer and better than I, the Club expresses condolences to his family and recognizes that he was a righteous man who truly served his community, in the tradition of the Rotary motto, "Service above Self".

“ Peter was a great friend whom I admired and respected for the many years that I knew him. You just had to like Peter, he was such a great person. We enjoyed many years of friendly competition together on the tennis courts and more recently on golf courses. He loved our regular Tuesday morning golf game (with one mulligan allowed for each nine) at Green Meadow, almost always on the prairie. We both learned quickly to save those mulligans for the water holes. I will forever miss his company and friendship. Jim Garvey

“ Dear Dolloff family. It is with great sadness that I hear of Peters passing. He gave me the opportunity to become a school administrator back in 1985. Over the years he gave me great advice. " Bo, don't eat standing up, you'll get an ulcer."(He was observing me in the cafeteria during an eighth grade lunch. ) After I received a thumbs down in the local paper, " Bo, don't worry about it, controversies is what makes life interesting". And the best advice he gave me back in 1985, just start my career, " Bo, Litchfield is a great community, show up at a few ball games and they will love you."

*I was so honored when he spoke at my retirement six years ago. We will all miss him and Leona too.*

“ I had the privilege to know Mr. Dolloff while working at the SAU as Mr. Burton's secretary. Mr. Dolloff was a great leader within the district. He was always kind, fair and took time to listen. He cared about all his employees and was a wonderful man to work with. Mr. Dolloff was the best of the best! In all these many years, there has not been another superintendent like him. To this day, I have shared memories with those that knew him and respected him. He will not be forgotten. Memories will continue to be shared. My deepest condolences go out to the family. “ I served as an administrator at Alvirne High School for 26 years. During these years I benefited from the leadership and wisdom of Peter Dolloff. While Peter was an outstanding educator, he was even a more outstanding human being. He possessed character values worthy of emulation and his moral compass always pointed in the right direction. While he was justifiably proud of his educational accomplishments, he was even more proud of his family. He truly was a "family man."

“ My deepest sympathy to the Dolloff family. I grew up in Hudson and loved the fact that Mr. Dolloff was not afraid to call a "snow day!" That sentiment includes the 18 years that I taught at Alvirne High School. Mr. Dolloff hired me in 1981 to teach social studies and this was a time that teaching jobs were scarce. “ As a teenager, whenever I visited the Dolloffs' home, it was more likely than not, that Mr. Dolloff would be sitting in the "den" in a chair in the corner, with the lamp on, and a good book, or newspaper at this side. Mr. Dolloff always exuded this sense of calm, and well being....confidence...which I thought was a wonderful quality that he possessed. And me being me, whenever I said something not in the best of taste, which when I was younger was more likely the case....his eyes would roll back, shift his stance, and then walk into the kitchen to see what Mrs. Dolloff was up to.

Mr. Dolloff was a "gentle man" and he will be missed.....my best to the Dolloff Family.

*What a testament to being one of Hudson's Town Fathers. I remember when I was in grad school, there was legislation regarding an accrediting concern for my profession and I sought his counsel for advice. Mr. Doloff provided me all the time and informatin I needed to be prepared for this task. Later when I graduated and set up practice here in town, he invited me his Rotary Club. Now that I am look back, he gave me quite a complement by this gesture. As kids, we were assimilating into the US and playing sports and English was our second language. The Dollffs were very kind to my family by always making a point to say, hello strike up conversation with my parents and just being the genuine folks that their whole family is. Mr. Dolloff's legacy casts a long shadow.*

*I knew Mr. Dolloff As a young teacher who did an incredible act of kindness for me and my family. We had just moved to Brookline in January in 1962 And I was enrolled in his fourth grade class. I had to have a TB test which registered positive And then I needed a chest x-ray. As one of seven children of a traveling salesman and a stay at home mom without a car, traveling to Leominster Ma. for that x-ray was a challenge. Mr. Dolloff took me himself in his own car. I remember my parents being so thankful. It was no surprise to them that he had a long and successful career in education. That early memory of his kindness to a scared little girl helped shaped my own career as a school social worker and counselor for over forty years....May his family be surrounded by peace and wonderful memories of a life well-lived.
