“ *I was sitting going through my pile of papers that I leave until the end of the month and I was overtaken by shock, grief and immediate deep regret when I saw Pat's picture and obituary in the HLN. I am overcome with sadness and with heavy knowledge that I am now out of time to change the course of events that affected our long friendship.*

Pat was such a good friend, wife and mother. She always created beauty with her world: her flowers, her cooking and her fireside chats late into the night!

Pat was such a hard worker and she never stopped, she was often out in the pouring rain planting and rearranging her gardens. Pat was also an avid bird watcher, never letting the feeders go empty so she could always enjoy their presence in her yard.

Pat took great pride in her care and love of Gary, her children and her home. She loved early mornings with her coffee, late nights on her porch. She loved life. She was loved deeply.

I am so sorry, Pat. Your long lost friend, Patti.

*“ Dear Gary, Heidi and Family,
Jim and I extend our deepest sympathy for the loss of Pat. Pat and I spent many hours together walking Benson's Park with her little dog Missy. Pat was so sweet and quiet at first, and as we got to know each other better, she and I talked and laughed non-stop about everything. I will miss Pat so much, she was a genuinely kind and caring person and it was my privilege to know her and be her friend. No words can ever express the loss you must feel in your heart over the loss of your wonderful Wife and Mom and our hearts go out to you in this time of your sorrow.*

It was a privilege to be Pat's neighbor for over ten years. There are many memories that will often make me smile as I remember her -- the shrub she insisted I take last fall that is blooming now, our shared frustration with the deer, walking the dogs, and her dedication to her flower gardens. Today I saw a short rainbow that seemed like it was right over her gardens; I hope it was Pat letting us know she is at peace.
