“ Priscilla was a dear friend & wonderful neighbor. She was a fantastic cook & I always enjoyed her beef stew, chicken parmesan & strawberry jam that she brought to me when I had strep throat. I will miss walking around our neighborhood with her and the girls, Emma and Anna.

She spoke often of her boys in CA, her daughters and grand daughters. She was always doing kind deeds for others. She will be missed. Priscilla will live on in our hearts and memories.

My sincere condolences, Christa##imported-begin##Christa Leonard##imported-end##

“ Dear Family,

I worked with Priscilla for quite a while in my capacity as executive director for the Humane Society for Greater Nashua for 14 years. Priscilla was a hard worker, very dedicated, super energetic, extremely optimistic and didn't take no from anyone! A very generous spirit who always had a smile and a big open heart, it was such a joy to work with and be friends with both Priscilla and Bob. I will miss her a great deal. She was a remarkable woman. I extend my very deepest sympathies on your untimely loss.

“ When I first met Priscilla, Mike and Matt were 14 years old. Priscilla and I worked together at the insurance agency for 15 years and she was always helpful, respectful, and fair to me. I enjoyed many lunches at her house with Bob and always looked forward to her soups.
My condolences to everyone in the family and please know my thoughts are with you.##imported-begin##Ron Brochu##imported-end##
