“ Dad You will be missed greatly. I Wish you had more time with us. The lord call upon you to take your place in his flock. I am taking it very hard and feel so empty in side. I need to grasp on to life, like you want me to. There been so many times we missed together. You do live in so many hearts. You will be missed so much. Please tell the family there that someday we can all be together forever and ever when we make it to the promise land. Love your proud son Kevin###imported-begin##Kevin Briand###imported-end##
