“ *I want to take a moment to Thank My Wonderful Husband Jeff and My Fabulous Son Jasper...you both have given your blood sweat and tears to keep Dad Happy, Healthy and Comfortable through a very fragile time, spending countless days and nights caring for Dad these past years. Selflessly putting your personal freedoms aside and going above and beyond day after day, night after night. I LOVE YOU BOTH SO MUCH! Words just can't express the Unconditional Love and Strength you have given to Mom and I through this fragile period as well as today and everyday. We have an incredible bond that we share... the lengths we have gone to for Dad and our family and will continue to go through together are so strong...many could never comprehend. I am so blessed and fortunate to have you in my life and I know Dad is with me right now sharing the same feelings and unconditional love for you both.*

I Love You Both More Than Words Can Say!
