“ I went to college with Ricky at north adams state. We had some great times together I still tell stories of Ricky now and again. One story I would tell is when Ricky and I where throwing water ballons out of the 5th story of our dorm at other students as they walked back from classes across the street to the Berkshire towers. No one was hurt or anything the kids could see what we were doing then the campus police came they were standing behind us I could see them but Ricky couldn't it was hilarious as Ricky was throwing more water balloons out the window and laughing so loud until I tapped him on his shoulder. We all loved Ricky even the campus police he was so full of life. I had no idea he passed I heard a Neil Young song which reminded me of Ricky so I decided to look him up . I know this is crazy late but sorry for your loss I will always remember the great times we had . I was on the hockey team and I remember his friend rusty rung coming to visit at north adams I actually played against rusty at the Noth adams rink then we all went out after . Man I would have loved to have seen him again Ricky's college friend

“ Dear McLaughlin family,
Our deepest sympathy to the McLaughlin family for your tragic loss. I worked with Richard’s father many years ago at ELCO Corporation. We lived in Connecticut and visited your Melrose home and your home in Higgins Beach. Richard was called Ricky at that time. He had a GREAT personality and I had the pleasure of being in touch with him from time to time in the electronic industry. We will never forget the family dinners on Sunday, “Fry breads” in the morning and all the fun we had with the McLaughlin family. You all made a lasting impression on our family and we sincerely love and miss the McLaughlin family. We send our sincere sympathy for your tragic loss, The Jacobsen family in Pennsylvania.

“ Dear McLaughlin Family,

I was very saddened to learn of Rick's tragic death. Rick graduated HS with my sister, and as a long time dead head, I'm sure I must have seen him or danced next to him at concerts :-) but our paths formally crossed at NAMI NH the National Alliance on Mental Illness when he did some volunteer work for us a few years ago assisting us with developing a marketing program for our Connect Suicide Prevention Program - that effort was very successful as we have now trained in over 40 states, an equal number of tribal nations and 5 countries! Rick was vibrant and very passionate about everything he did - and that was evident from his work with us as well. I've kept in touch via facebook the last few years and will surely miss that enthusiasm he had for life. I will keep you all in my thoughts and prayers.

“ *Michael, Kim, Ricky and Alyssa. I was heartbroken to hear of Rick's accident. I will always be grateful for the assistance and counsel he gave during Mike's baseball years. He was a good man full of wit and charm. He would always leave us smiling. I have thought of him often over the years and will continue to do so.*

“ *My deepest condolences to you and your family on your loss. The hurt is even more intense when losing a loved one is not expected. The wonderful hope ahead that our Lord Jesus gives us is so comforting. The account at John chapter 11 where Jesus wept over the loss of his dear friend Lazarus and how painful it was for him that he gave way to tears. This account also gives us the hope ahead of seeing our loved ones in the resurrection. I hope you will find this to be comforting for all of you. Once again my thoughts and prayers are with you all at this moment.*

“ Many memories of Ricky from our Crescent Ave. days. Countless hours of playing catch, swimming in the backyard pool, bowling at The Granada, Boston Braves games at the Garden when his dad was working there, street hockey, whiffle ball, collecting baseball cards and 45's, and all of those sisters. Ricky stopped by my home in Dracut a few years back after having gone quite a while without seeing each other. It came as no surprise to me that he hadn't changed a bit in all that time. Still the same funny, personable character that I remembered. May all of your family memories help to ease the sorrow of your loss, and comfort you in the times ahead.

“ Kim, I’m so sorry to here of Rick’s passing. I can’t fathom the pain that you and your family are experiencing. Rick was one of my favorite people at Time, he always had a quick smile and a devilish way about him. It’s hard for me to believe that it’s been 30 years since your wedding, I’m sure that it was full of larger than life experiences, hold on to those and the family that you created together. He as well as you will be remembered in my prayers.
