

Rickey Ray Lemon

April 17, 1958 - January 5, 2025

Rickey Ray Lemon, 67, of Hudson, NH, passed away suddenly on January 5, 2025, surrounded by his loving family. Born on April 17, 1958, in Enid, Oklahoma, Rick was the son of the late Dolores Rickey Lemon.

After graduating from Huntington Beach High School in California, Rick attended Central State University in Edmond, OK, graduating in 1981, with a Bachelor of Science degree in Computer Science and General Business. His education laid the foundation for a fulfilling career in technology. He spent many years as a Microsoft and IT instructor at Boston University's Corporate Education Center sharing his technical expertise and passion for teaching with countless students. Later, he transitioned to self-employment, founding Lemonade.net Internet Services which offered computer networking and consulting services as well as hosting websites for various businesses.

Rick is survived by his beloved wife of 37 years, Brenda (Reyor) Lemon of Hudson, NH; his cherished daughter, Ericka Rose Carmody of Hudson, NH; and his two stepdaughters, Kate Pierce and her husband Josh of Grosse Pointe Park, MI, and Alanna Keenan of Nashua, NH. He was the grandfather of four grandsons: Tavish, Griffin, Liam, and Garrett. He also leaves behind his brother, Alan Ross Lemon, with whom he shared a lifetime of memories.

In his earlier years, Rick found joy coaching softball for all three of his

daughters, leaving a legacy of encouragement, laughter, and teamwork. More recently, he treasured simple pleasures, such as playing pool with Ericka and spending quiet, meaningful time at home with Brenda.

Rick's sense of humor, dedication to his family, and unwavering love will be deeply missed by all who knew him.

A time of visitation for Rick will be held on Wednesday, January 15th from 4:00pm ~ 5:30pm with a Service of Remembrance at 5:30pm in the Dumont-Sullivan Funeral Home, 50 Ferry Street, Hudson, NH. Burial will be private. In lieu of flowers, the family kindly asks for donations to the Humane Society of Greater Nashua at www.hsfh.org.

Rest in peace, Rick. Your memory will forever be a source of comfort and inspiration to those who loved you.

“ I remember Rick helping me out through hard times when I used to live in New Hampshire! He told great stories, made a good breakfast of Hash browns & bacon, loves dogs especially meeting my dog Hershey, & gave great advice! RIP Rick! You will be missed by your loved ones!

“ Our deepest sympathy Brenda to you and the family. We had so many great times over the years. Holidays, weekends, softball, basketball, summertime cookouts, girls' sleepovers. Our 3 families sure made an impression on everyone. Rick was such a great guy. Him and I were inseparable over those years. Racket ball, working around the house projects, golfing, the 2 of us did an awful lot together. I treasure those times.

“ Rick had a way of making you feel confident that "everything will be OK". No crisis was impossible, no challenge insurmountable. In a job function that was rarely without stress or urgent requests, he took it all in stride and gave those of us around him the confidence that we could manage it all, and it will all be just fine. Even during challenging times, he would face a crisis head on with all of his skill and make sure everything was resolved. He knew what was important in life (his family above all) and kept everything else in perspective. My deepest condolences to his loved ones, he is a man whose presence will be missed by all.

“ I will never forget the kindness and generosity of Rick and Brenda when I was in college, very far from my parents and feeling pretty lost. They always took me in, they always had a hug and a bed and never made me feel like I was an inconvenience although I'm sure I gave them very little notice. Rick always came to get me if I needed and had a joke. If he was close to my school he would take me to lunch. He was just the consummate dad and would talk so much about how impressed he was with his daughters, especially Ericka who he just thought hung the moon. I'm so sad, I'm so sorry and I am sending a ton of love to all of you .

Quite simply Rick was one of the best managers I ever had. He was never condescending and always attempted to teach you what you needed to know. He was friendly and fun to be around. My condolences go out to his family.
