My heart and prayers to Lorraine and family. I too remember Bob as best friend to my dad. When we were little our families got together many times. I remember we went to Disney World in Florida it's first year open. Later when I worked for my dad I also did some rental work for Bob. He was always fun and loved to laugh. Bob was a great fellow. RIP Bob, say hi to my mom and dad for me. 🙏❤️

“ I just learned today, 7-28-2022 of Bob's passing through a search to see how people are doing that I once knew, and sadly came across Bob's obit. I met Bob & Lorraine in 1996 when I moved into the house directly across the street from theirs at Whip-Poor Will Dr. I remember meeting Bob when he and I were busy cleaning out our respective driveways from the snow. I finished clearing my own driveway and then I took my machine over to Bob's driveway and proceeded to clear his out. I lived there for 7 years and became good friends with Bob & Lorraine. In 2003 I moved out of Hudson and lost track of Bob & Lorraine and others from that time period. Lorraine, Mark and family, please accept my deepest condolences on your loss. I've held you all up in prayers accordingly. Wishing you all His blessings, Bob Douglas.

“ I just learned of Bob passing away and I am so sorry for your loss. I have not seen Bob in well over forty years. I remember him in Business with my father in the 1970s when I was a child. I remember him as a great man with a great family and a hardy laugh. God bless you all and I pray for strength in this difficult time. I remember and I will never forget his kindness.

Sincerely,
Rick Cardinal
