“ *I first met Bob back in the 90's, I was working for Nashua Housing and had a family who lost their apartment to a fire, I called Bob, and he helped the family relocate, he went out of his way to help this family, ever since that we worked very close over the years to help people in need find places to live. He always had a good heart and he always took the extra to be kind and understanding to people in need. I retired from Nashua Housing and in 2009 I began to work with Bob. He was more than just a boss to me he was my Friend. I will miss him dearly .Ellen Artley*

“ Bob was an amazing individual – open-hearted, warm, and friendly. Over the course of 30 years, we shared several cherished moments together as close family friends as and as associates. I remember that after I got married, I would bring my children to his office on Main Street and how good and affectionate he could be with small kids. Always ready to help and full of energy, he was a great mentor and often shared his life experiences and time without hesitation to improve someone else’s life.

May his soul rest in peace in heaven and may God give strength to his family and friends to bear this great loss! I will miss him greatly.

“ We are a smallish family and Uncle a Bob was a big part of that. He was a breath of fresh air for me, as a young child, during my parents divorce and as a teenager with life's growing pains. I will forever remember his laughter and kindness. Thank-you for being such a great man. Rest in peace, Uncle Bob.

“ I knew my Uncle Bob as "Uncle Bear" as he was so warm, generous, kind and loving. Some of my favorite memories are of him teaching me to swim as a little girl, and him singing with his beautiful voice at my wedding. What a wonderful man who will be missed greatly by all who knew him! God Bless you Uncle Bear, I know you are resting comfortably now in Heaven and peace to all of those who are missing him.
Love you, Maria

“ I only had the pleasure of meeting him once, at a band pool party at Andre's place in Bedford, NH. He was a very likable fellow, and Andre has told me of the guidance his dad had given him in his early music career. My heart pains for my pal Andre - you only get one dad...

“ I first met Bob when he was singing with Rich DeFreitas' Swing Express just a few years ago. He was always kind and supportive, and I always enjoyed making music with him and chatting with him between sets. I am very sorry to hear of his passing.
