“ To the Robinson Family. I am so sorry for your loss. He loved you all so much! He spoke of all of you every time we got together. He was my first friend in Tewksbury and remained a best friend for these past 52 years. We went to school together, worked on our cars together, we even worked at McDonald's together. I will miss him very much. You are all in my prayers.

“ I had the pleasure of knowing Bob for many years through my brother Tom Troville when I returned to Nashua to visit my brother and mother. Bob was a gentle soul to me, always helpful, always friendly. I never saw him angry and talk bad about people. He was loyal to friends and loved his family. I always got to see him on my visits and he became like extended family to the Troville's. He enjoyed his role as "Roadie" for the Rock N Rebels and Liquid Fire bands and was considered the 6th member. Bob will be missed and it won't feel the same when I visit and he isn't there. I wish God's blessings on Bob's family at this tough time and his love and comfort to all especially his grandchildren. Thank you Bob for your service to our country. Best to all

I was on the Schenectady with Bob. I live here in Missouri and Bob would call me every few weeks and tell me about all of the car cruises and shows.  
Sounded like he love doing them all. He would send me the pictures of the shows and cruises too.He will truly be missed. RIP Bob.

*I knew him for a short time but he was the type of person that made you feel like a life long friend. He talked to my son giving him pointers for his "49" chevy and he will be greatly missed by his clubmates and friends alike. He treated everyone with respect whether you met him one time or more than once. RIP to a great person that will be missed.*
