“ *My very deepest condolences to Curt and the rest of the family. I remember hanging out one Friday night when I was feeling particularly down. I didn't even want to come over, but Ro coxed me into it. I was so glad I went. We barely knew each other and she made me feel so welcome and at home! We laughed so much that night. Life moved me in a different direction, but I will always remember how she made me feel, I'm grateful for that period of time we connected. May you be at peace.*

“ Roe, we had some amazing times, so much laughter, so much fun! we had each other's back. I could go on and on. We also had some not so great times. I loved you like a sister. I know We had not seen each other in some time, but you were always in my thoughts and in my heart. I missed you and I will always miss you. Friday night at your house we're my favorites and out trips to Salem. I know you are at peace and you have Salem on your lap and chatting with your mom. I love you and always will. 💕🌙
