“ On this beautiful spring morning, my thoughts and prayers are with my high school friend, Robin. My mind goes way back to Lucy Larcom and Lowell High. Ron and Robin, always together, always smiling. One of my fondest memories is the wedding day without electricity. The candle-lit church was absolutely beautiful as were the two souls at the alter. When two people have loved the way Ron and Robin did, it is truly unique and timeless. Rest in peace Ron and soar with the angels!
