“ Uncle Dave, Christine, Debbie, and family,

Words cannot begin to express how very sorry I am for your incredible loss. Aunt Rosanne was truly a one of kind amazing woman! She always made me laugh! Her hugs were some of the best I have ever received. I will never forget the sweet kitty that she bottle fed and gave to me! I named him Rusty and he was a great cat for 12 years. I thought of her so often when i looked at him! Her love of cats always touched me as I too am a cat lover!

My heart breaks for all of you. I know that she is up there with her loved ones that have gone on before her and together they are watching over you all. I am so thankful to be a part of this family. I love you all dearly and will never forget her!

I am always here if you need to talk to someone who understands the deep pain of sudden great loss.

Love, Sam

Sam it's taken me awhile to be able to read anything on this page. Thank you for your kind words and Aunt Rosanne love you Erik and the kids very much. Losing my best friend and greatest supporter has been the hardest thing I have ever done. I reach for the phone every morning at 730 to have our morning talk. I know she at peace and with the rest of her family so that makes it easier. Erik and her are teasing the heck out of one another right now, I am sure. love you Christine

“ *This goes way back as a child. She was my lunch mother as well as a mother to Debbie and Christine. She had such a tender heart, was caring and compassionate. Say hello to my mother. You two can go shopping. Take care Mrs. Staples.*

“ *Mr. Stapleford, Christine and Debbie I can not express to you how sorry I am for your loss. She has always held a special place in my heart. Decades of memories and lessons. Most important lesson is living each day to the fullest, she did that well and I am so glad to have been a small part of that. I could go on and on but so would the tears and we know she would fuss about that. My thoughts, prayers and love are with you and your families.*
