“ *Deepest condolences to the whole family. Rose was a friend for so many years and we always enjoyed going out for lunch after going shopping. I remember the birthday get togethers at the childrens houses and always enjoyed being made to feel like I was part of the family. We will all miss Rose. May she rest in peace.*

“ Thoughts and prayers to Rosie's family. She was full of life and laughter- especially after her "whiskey and water"!, and of course if Max was egging her on somehow :) She was always very welcoming and fun to be around. May the Vignola family find peace in her passing and remember all the laughs you shared.
