“ *So sorry to hear this just now. The family sent notification to my daughter in Florida, otherwise, we did not know. Ruth was always so kind and helpful when my mother-in-law lived next door to her. And we stayed in touch for years afterwards. We always tried to get a visit in whenever my daughter came home for a visit. We do hope she's at peace now.*

“ *Ruth was a beautiful woman, inside and out. I am truly saddened at the news of her passing. Her warm smile, sense of humor and wonderful personality will be missed. Ruth dedicated over 15 years of her life to homebound seniors as a companion for our program. I feel blessed to have known her. My heartfelt condolences to Ruth's family.*

“ *Nana was a good woman, good or bad you always knew how she felt oh, because she was real. Her family meant everything to her. She always talked about how proud she was of her kids and grandchildren. How talented Uncle Tim is, how strong Aunt Cheryl is, how much you loved her first daughter Kay, and how resourceful my mother Ruthie is.*

I remember when I was a kid in the summer time she'd pack us kids into the car and take us down to Robinson pond. Every summer she had to have a banana split and a lime rickey, she introduced me to my best friend of 26 years. I'll always be grateful to her and I miss her forever
