Aunt Sandy I can proudly say I was your very first niece and what a childhood I had with you and Uncle Fred. We went everywhere together along with your second niece Debbie and your first nephew Mark. You made our childhood so much fun and so adventurous! We had a lot of first times with you and we were blessed to have you all to ourselves until I graduated high school. Your brothers then started having their children and they were then blessed to have you to themselves. I am so glad you were my aunt and I will love you forever. Watch over Uncle Fred and Roy & Sandy they need you right now. I will see you again when Jesus allows until then, thank you for all of the beautiful memories and rest in peace. I love you. 💖

“ *This just saw that Sandy is no longer with us. I am so sorry for your loss, 🙏 I worked with Sandy at City Hall. She was such a fun loving person. She would make her chocolate eclair cake for Xmas parties and everyone loved it. She gave away candy and things to the homeless that hung around the bus station outside City Hall. She always greeted the customers with a hand shake at work. I will always remember the sweet and fun person she was. May you RIP Sandy. ❤️ Jill from Hudson*

Sandy you were the sweetest lady we've ever met. You and Fred were such great neighbors and you were so good to the kids . We had so much fun going to Connie's for Sunday mornings . Loved sharing our wedding anniversary together and remember you and Fred holding hands the whole time. Will miss you sweet lady.

“ My childhood wouldn't have been half as fun without Aunt Sandy. She always said "yes", no matter how crazy or nonsensical it was! Food fights, water balloon tosses, pool parties, cookouts and of course sleepovers! You are going to be the life of the party up there in Heaven. I'm lucky enough to have had you in my life and to now have you as my guardian angel. May you find peace and your legacy will be passed down. I love you. 🙌❤️

“ My aunt Sandy was always a child at heart. She was always having fun and getting herself (and all of us kids) in trouble doing things we shouldn't have been doing. Her and uncle Fred loved all animals, especially Bella, my sisters dog. I will always remember her as the fun loving jokester who got all us kids riled up and made any day a fun one. If you all knew my aunt then you would know about her "famous" eye pad! She would always go around asking people if they wanted to see her iPad and when she pulled out her eye pad everyone's face went from confused to laughing hysterically. The heavens gained one special angel . ❤️
Love you Auntie
