“ Audrey and Madison, We want you to know that our thoughts and prayers are with you. Madison, I remember when your father told me that you were on the way. I was picking Billy up at work and Scott as trying to be cool about it but he could not stop smiling. When you were born he showed me you newborn pictures 4 days in a row as if he had not shown them to me before. I know that you are too young to understand now but when you have children you will understand how much daddy loves you and what you mean to him. The years since you were born were the happiest years of your fathers life. I hope as you get older and understand this more it will be of some comfort to you. We wish you and your mother peace and comfort in the memories of a wonderful man, father, and husband.##imported-begin##The Innes Family##imported-end##

I am so glad to have known you thru the years. I have many memories that I will truly cherish. Thanks for having me on your golf team, even though I sucked. I know if there is any time I miss you all I have to do is go on that dirt road beside CG Roxanne and look out over the lake and know your there. You really loved that view. Rest Easy Scott, You will be truly missed. Till we meet again, Your Friend, Rich##imported-begin##Richard Lafond##imported-end##

“ Audrey, my heart goes out to you and Maddie. I am so glad I got to spend time with Scott recently while we could both appreciate it. I just wish circumstances were different so I could be with all of you tonight. Scott was my best friend growing up as kids, while you would never know it by how much we fought. We used to say that only the good die young, so Scott would live forever. Now we know that isn't true. Since you and Maddie came into his life, Scott has become the example of goodness and caring. Please know that my thoughts and prayers are with you and your family and that Scott is no longer in pain and is in a much better place. Take care and God bless.##imported-begin##Peter, Joyce, Jennifer, and Victoria Owen##imported-end##

“ *My heartfelt sympathy goes out to Scott's family in this time of sorrow. I will miss him at work, not only his great knowledge of machinery but he was truly my friend also. He used to have so many stories and he would have me laughing so hard, especially the ice fishing stories. He told me often how proud he was of his daughter and how much he loved his wife and how truly lucky he was to have them.*

Audrey and Madison please know that you are in my thoughts and prayers now and always.

“ *Scott... You have touched us all in so many ways... have made us better... made our lives more colorful... more rich... You've inspired and given selflessly of yourself... You worked your way into our hearts in your truly unique way... We didn't always understand but we do now and we're so grateful we were both able to put it into the gift of words while there was still time in this life we shared a part of together. Thanks for being our brother... You will be missed... You have always been and will always be loved.*
