“ I was so saddened to hear of Shad's passing...my sincere sorrow for your loss.

He had such a special quality that profoundly touched the lives of the children he worked with. He had the ability to make them believe in themselves and work toward bettering their futures. I still run into kids who reminisce of him fondly. He will be missed.##imported-begin##Christine Maguire##imported-end##

“ Shad, You will be sadly missed! You were such a great person for the little time that I got to know you. The first time that I met you will be a time that I will never forget when you tried to pick me up while we were at a red light, lol. You were on your bike and I was in my car going to my friend Becca's house. You ended up asking me if you could follow me over there and after a little while of talking you, you took me on a bike ride and staying at her house for a few. It was so funny to know that you knew so many people that I knew and you made me laugh the whole time! You had such a great personality. I remember you asking me if I was dating anyone and when I said "Yes, Dave Rousseau" Your face was priceless because you said, No way!! I know him, I went to school with him and we used to ride together on our bikes! You also said for me to tell him that you said hi and that he was a great guy! I am so thankful for the kind words that you said about him and you will be missed dearly. It's so unfortunate that you are gone now! Rest In Peace!

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us so many memories to forget.*

Shad you will be missed

“ To my dearest friends and family, some things I'd like to say... but first of all, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, ""I welcome you."" It's good to have you back again; you were missed while you were gone. As for your dearest family, they'll be here later on. I need you here badly; you're part of my plan. There's so much that we have to do, to help our mortal man. God gave me a list of things, that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night, the day's chores put to flight. God and I are closest to you....in the middle of the night. When you think of my life on earth, and all those loving years because you are only human, they are bound to bring you tears. But do not be afraid to cry; it does relieve the pain. Remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned. But if I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is o'er. I'm closer to you now, than I ever was before. There are many rocky roads ahead of you and many hills to climb; but together we can do it by taking one day at a time. It was always my philosophy and I'd like it for you too... that as you give unto the world, the world will give to you. If you can help somebody who's in sorrow and pain, then you can say to God at night.....""My day was not in vain."" And now I am contented....that my life has been worthwhile, knowing as I passed along the way, I made somebody smile. So if you meet somebody who is sad and feeling low, just lend a hand to pick him up, as on your way you go. When you're walking down the street, and you've got me on your mind; I'm walking in your footsteps only half a step behind. And when it's time for you to go.... from that body to be free, remember you're not going.....you're coming here to me.##imported-begin##With Love##imported-end##

“ Into all of our lives came a wild spirit? Who we all loved so much and so dear.

He was here for a reason,
that some just couldn't feel,
But for so many of us that he touched we were lucky enough to see!

You can't tame such a wild spirit! He was meant to be free!

He was here for a reason, To show us the way, To live life to the fullest, Laugh smile and cherish each and every day!

While he may have left us way too soon, That's our selfish thoughts talking because we loved him. God must have known and chose that it was his time!

He touched us, and loved us, he taught us a lot! and now it's been decided it's his time to shine!

So when I feel lonely, I miss him or scared!

I look to the brightest star..And I know that he is with us. His bright soul is right THERE!!

“ To Shads immediate family,
I just want to say how sorry I am for your loss. As you know Shad and i talked for endless hours He spoke so highly of you all. Shad truly loved you all, Janet, Steven, Jackie, William, nanna ann, grandpa. He always told me what "good people" his family was. And you truly are! He couldn't wait to be able be a stronger part of williams life and he would have done anything for his nephew...Janet he was so happy with your wedding to stephen. He knew you had truly found happiness and that meant the world to him. He was so restless for the day when you wouldn't have to worry about him anymore and live your life.... (You know how he was..) Just please know he spoke of you alot to me and you all meant the world to him. It was an honor to be a part of your family... All be it.. To breif... You all have a place in my heart as well. You have a wonderful son with a wonderful soul who is looking after us all untill we can be with him again... Sincerely Holly###imported-begin###Holly Nelson###imported-end###
