“ Was nice to greet Sharon's family. I keep thinking of when Sharon & Bob got married at the social club on Lakeview Ave. in Lowell. Sharon had a beautiful lavender outfit with matching lavender hat. How the time goes and everyone grows up Sharon would be proud of the beautiful wake and everyone that showed up. Sharon was loved by so many. She was always smiling and just so sweet. She is now our guardian angel, smiling down on us. RIP beautiful lady.

“ Sharon was truly a great friend. I remember all the great times we had on our deck at the beach that Bob and Austin built. She was a strong lady with so much energy. Her love of family and friends was a great part of her life. I know her strength will help her family carry on. She will be missed. But, my memories of her will fill that empty void. Till we meet again may the good Lord hold you in the palm of his hands. Love Brenda and Austin.

“ I am so thankful to have had such a special friend like Sharon in my life. Everyday when I came home from school she would be sitting on the porch, she always had a smile and wave. I miss her so much. We often had great conversations on that porch. Even Reese, my families' dog will miss her. There was never a time that Reese would not stop and look for Sharon on the porch. She wouldn't move until I told her Miss Sharon was okay then she would go home. She loved her too. Bob and Sharon are the most kind and caring people, they were wonderful to all my family, especially to my two little grandsons. It makes me sad to see the empty chair on the porch. I will always remember your stories and your laugh. My thoughts and prayers are with you Bob and all your family. Rest in peace, Sharon ,we love you and we will miss you.

“ We are so blessed to have had the opportunity to get to know Sharon these past years, or "Miss Sharon" as my boys have affectionately come to know her. We all looked forward to our front porch visits and chats with her when we were out. And my son was always sure to tell me to put his window down so he could wave and say hi to "Miss Sharon". She had such a big heart and a love for her family. We always enjoyed the latest story about her beloved grandchildren. May she be at peace and free from pain. Our deepest condolences to Bob and all of her family. You will be greatly missed by my family.

“ Sharon worked at Saint Joseph's Hospital with me. She was always laughing and so much fun. Our children grew up together and we shared many good times. I remember Sharon coming to my baby shower. I just talked to her last week. It is hard to believe that she is gone. I bet she is still smiling down on us. Sharon was a beautiful person inside and out. I can hear her laugh. Sharon is our guardian angel now. What a lovely spirit. God Bless Bob, Roxanne, Shane and Brandy. Sharon was so proud of you all.
RIP beautiful angel. I love you and will miss you. All my Families Love to you.
