“ *I met Suzanne at her dad's graveside service. She was a burst of sunshine in the midst of a cloud of sadness. I couldn't help thinking that her dad would be incredibly proud of her as she cast her grace over the crowd gathered to honor Ed. What a cause for sorrow is her abrupt departure from all those who have been blessed by her demonstration of what life is all about. May the Lord bring comfort to Suzanne's family and friends as they grapple with grief.*

“ My sincere condolences to both the Dionne and Felten families. Although Suzie and I lost touch over the years, we had such great times together. I still remember her coming out in a beautiful red dress at the end of her wedding reception and dancing with Steve to "Lady in Red". My thoughts and prayers are with you Steve, Carole and family.

“ I met Suzanne and Carole when we were in the 6th grade. We were in the same home room and they both took me under their wing when they found out that I had just moved from California and didn't know anyone. I looked forward to the second day of school because of their kindness and friendship. Suzanne was a constant source of joy for all of her classmates. She was a trusted friend and you knew she was always genuine. My love and prayers go out to everyone who loves her.
